

Are you a Bay Area manufacturer?

Take control of your company's future with the **California Manufacturers Accelerator Plus.**

What is the California Manufacturers Accelerator Plus?

A **FREE** growth and profitability program designed to help small and medium sized manufacturers succeed.

- Identify key barriers and goals
- Collaborate with an expert advisor on an individualized Growth Project
- Receive personalized one-on-one business advising
- Access implementation tools, resources, and coaching to help you succeed

What topics can we help with?

Our advisors have a range of manufacturing expertise including:

- Financial Planning
- Operations & Production Efficiency
- Online Marketing & Sales
- Sales Channel Transitions
- Industrial Workforce Growth

Who can participate?

Established manufacturers in the Bay Area who:

- Have at least one production facility in the region,
- Employ three to twenty people,
- Are majority owned by BIPOC, Women, or Veterans, and
- Are committed to growing and hiring in the Bay Area.

For more information about this **FREE** program contact martine@sfmade.org or apply directly at <http://bit.ly/ApplyCMA>.

SFMade is a Bay Area service provider of the California's Manufacturing Network's California Manufacturers Accelerator Plus Program.

“This was amazing!
And extremely helpful
to stabilizing and
growing the business.”

– Anne Fletcher, Orta Kitchen Garden

What are past
CMA+ participants
saying?

“Where have you guys
been? We wish we found
you sooner! Everything
has been an eye opener.
Very structured and
detailed. Can we keep
our advisor?”

– Linda Fong, Fast Signs Oakland

“I have learned so
much from this program
and look forward to
streamlining our
workflow with the
tools I now have!”

– Haley Tucker, Only Child
